

# FREE Health Insurance Enrollment Assistance

You may qualify for one or more programs - 3 easy steps to help you find out

Application Assistance is now available to help you, or someone you love, apply for insurance programs available for adults and children who are blind or disabled and anyone over the age of 65.

### Programs offered through New York State:

- Community Medicaid (including those with excess income and/or resources)
- Medicaid for home care services
- Medicaid for nursing home care or other services in an in-patient setting
- Medicaid for adults and children in need of waiver services (OPWDD, Traumatic Brain Injury, Bridges to Health and other HCBS programs, etc.)
- Medicaid for working people with disabilities who want to buy into the program
- Medicare Savings Program for those with Medicare that need help paying Part A, Part B, and/or prescription drugs
- Medicare enrollment assistance for those also eligible for Medicaid

#### 1 Call us.

We can be reached Monday through Friday, 9AM – 5PM at (631) 435–3000. After hours, please call us at (631) 656–9783, press Option 2, and leave a message. Someone will contact you the next business day.

## 2. Apply with an Application Assistance Enroller by phone.

To keep everyone safe during the COVID-19 pandemic, application assistance will take place over the phone. As calls come in, staff working remotely will be assigned to callers to provide assistance.

With your written permission, the application assistance enroller will complete your application, sign it on your behalf, and forward it to the local department of social services. We continue to communicate, track, and monitor your application until a determination is made.

#### **3.** Provide necessary information & documents.

You will need to provide information such as your age, identity, home address, income, and resources. Your assistance enroller will let you know if additional documents are needed.
